- Gentalia, 61% owned by Grupo Lar, is the **largest Spanish Retail Property manager with** confirmed access to national and international retail brands.
- Focus on strong capital returns, with a target annual total shareholder **return of +12%***.

3

Investment Targets on track

- **c.€460m** in assets acquired in the first 11 months, **25% above plan**: €750m objective is attainable less than 24 months since IPO.
- **Committed to diversification** by asset class and location / **Opportunistic** approach when attractive deals appear.
- **On track to leverage** the assets with a target of 50% LTV; enabling acquisition of the current pipeline.

(*)This is a target only and not a profit forecast. There can be no assurance that this target can or will be met.

Delivering on Our business Plan

6. Company Update on Progress since IPO

1

**€300m acquisition target
before 2014 end**

- **25% ahead** of the plan: c.€460m in assets acquired in 11 months.
- **>60% of investment plan** already achieved: on track for target of c.€750m.
- Targeting **mid-size market** totaling **15 deals**.

2

**Off-Market opportunities -
diversified by
asset class and location**

- **c.70% off-market deals** due to Grupo Lar's consolidated position in the Spanish market.
- **Shopping Centres and Office** account for 72% of Total investments to date.
- **Portfolio focused on the Initial investment Criteria** leveraging on Grupo Lar expertise.
- **Complying** with the **geographical distribution** in the Business plan.

3

**Robust
Pipeline Ahead**

- **>€90m in assets under exclusivity, and +€250m under negotiation** to add to Lar España portfolio in the upcoming months.
- **>60% sourced off-market** due to Grupo Lar's extensive network of contacts among the Real Estate Players and Banks.

6. Company Update on Progress since IPO

6.1. Investment Plan ahead of expectations

c. €460m of assets acquired in 11 months, 25% above expectations

6. Company Update on Progress since IPO

6.2. Attractive Off-market and diversified Investments

All figures stated at the acquisition date

Asset Class	Units	Price	Gross Lettable Area	Avg. Initial Occupancy	Avg. Initial Yield On Cost	Avg. rent/month

- For purposes of **clarity and comparability**, all variables have been calculated taking into account the characteristic use of the asset.
- For purposes of **comparability and consistency**, **Initial Yield on Cost** of some of the assets have been modified (in total 0.02%), due to the unification of calculation criteria applied to all the assets. For all them and for purposes of fairness, the initial yield takes into account the Rent perceived in the first quarter (Q1) of operations since acquisition.

Asset Distribution by value

Balanced Investment Geographical distribution

According to the business plan, **Office acquired are located in Madrid.**

Mostly off-market acquisitions

(*)Marcelo Espinola has been excluded from calculation due to total refurbishment.

6. Company Update on Progress since IPO

6.3. Robust off-market projects in the acquisition pipeline

>€90m of assets under exclusivity.

- >60% of pipeline negotiated is **off-market** owing to the **consolidated position** of **Grupo Lar** in the market.
- It implies >10% of total €750m target is being negotiated (>€90m), and should this be materialised, c.30% pending would be **covered via projects already under negotiation** which exceed €250m in value.

6. Company Update on Progress since IPO

6.4. Portfolio will be leveraged to 50% LTV in H1 2015

Lar España **will borrow enough funds** to acquire the current asset pipeline and to increase its leverage to 50% LTV.

Disclaimer

- The information included in this presentation has been drafted by Grupo Lar Inversiones Inmobiliarias, S.A. ("Grupo Lar") for informational use only, to assist investors in deciding whether they wish to proceed to further study the company named Lar España Real Estate SOCIMI, S.A. (the "Company") and also to help said recipients decide whether they want to purchase shares of the Company (the "Shares"), which are listed on the Spanish stock exchanges and the Spanish continuous market. The initial subscription offering of the Shares of the Company (the "Offering") and the admission to listing of the Company in Spain required the approval by the Spanish securities market commission (the "CNMV") of a Spanish prospectus ("*Folleto Informativo*"). The *Folleto Informativo* is available on the Company's website and at the CNMV (www.cnmv.es).
- No representation or warranty, express or implied, is given or will be given by or on behalf of the Company, Grupo Lar, J.P. Morgan Securities plc (the "Global coordinator") or their respective affiliates or agents, or any of such persons' directors, officers, employees or advisors or any other person as to the accuracy, completeness or fairness of the information or opinions contained in this document and any reliance you place on them will be at your sole risk. In addition, no responsibility, obligation or liability (whether direct or indirect, in contract, tort or otherwise) is or will be accepted by the Company, Grupo Lar, the Global Coordinator, any managers or any other person in relation to such information or opinions or any other matter in connection with this document or its contents or otherwise arising in connection therewith. Market data attributed to specific sources have not been independently verified. The information in this document, is orientative and therefore subject to change, is incomplete and has not been independently verified and will not be updated. The information in this document, including but not limited to forward looking statements, applies only as of the date of this document and is not intended to give any assurances as to future results. Certain statements in this document regarding the market and competitive position data are based on the internal analyses of the Company, which involves certain assumptions and estimates. These internal analyses have not been verified by any independent sources and there can be no assurance that the assumptions or estimates are accurate. Accordingly, undue reliance should not be placed on any of the industry, market or competitive position data contained in this presentation.
- This document and any copy of it is not for publication, release, disclosure or distribution, directly or indirectly, in, and may not be taken or transmitted into the United States, Canada, Japan or Australia, and may not be copied, forwarded, distributed or transmitted in or into the United States, Canada, Japan or Australia or any other jurisdiction where to do so would be unlawful. The distribution of this document in other jurisdictions may also be restricted by law and persons into whose possession this document comes should inform themselves about and observe any such restrictions. Any failure to comply with such restrictions may constitute a violation of the laws of the United States, Canada, Japan or Australia or any other such jurisdiction. The Shares have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act") and may not be directly or indirectly, be offered, sold, taken up, exercised, resold, renounced, transferred or delivered, directly or indirectly, within the United States except to Qualified Institutional Buyers (as defined in Rule 144A under the Securities Act) in reliance on Rule 144A or another exemption from, or transaction not subject to, the registration requirements of the Securities Act. Any such investors shall also be Qualified Purchasers (as defined in section 3(c)(7) of the U.S. Investment Company Act of 1940, as amended). There will be no public offering of the Shares in the United States. The Shares have not been and will not be registered under the applicable securities laws of Japan, Canada or Australia and, subject to certain exemptions, may not, directly or indirectly, be offered or sold in, or for the account or benefit of any national, resident or citizen of, Japan, Canada or Australia. Any failure to comply with these restrictions may constitute a violation of US, Japanese, Canadian or Australian securities laws. You should expect that the Company will be a passive foreign investment company ("PFIC") for U.S. federal income tax purposes. Any U.S. taxpayers that consider an investment in the Company should consult their tax advisers concerning the Company's PFIC status for any taxable year and the tax considerations relevant to an investment in a PFIC. Grupo Lar is not regulated as an alternative investment fund manager ("AIFM") within the meaning of Directive 2011/61/EU of the European Parliament and of the Council of 8 June 2011 on Alternative Investment Fund Managers ("AIFMD") as implemented in Spain. The Company may, however, constitute an alternative investment fund within the meaning of AIFMD ("AIF") under the implementing laws of other EEA jurisdictions. Accordingly, shares may only be marketed or offered in such jurisdictions in compliance with and subject to the terms of any transitional regime permitting such marketing or offering which exists under such jurisdiction's implementation of the AIFMD and any other laws and regulations applicable in such jurisdiction. This document is not a prospectus but an advertisement and investors should not rely on it in connection with any contract or commitment for the subscription or purchase of any Shares referred to in this advertisement, except on the basis of the information contained in the *Folleto Informativo* (including any amendment or supplements thereto) approved by the CNMV and published by the Company in due course in connection with the Offering. This presentation includes forward-looking statements. All statements other than those of historical fact included in this presentation, including, without limitation, those regarding our financial position, business strategy, estimated investments, management plans and objectives of future operations are forward-looking statements. These forward-looking statements involve known and unknown risks, uncertainties and other factors, which may cause our actual results, performance or achievements, or industry results, to be materially different from those expressed or implied by these forward-looking statements. These forward-looking statements are based on numerous assumptions regarding our present and future business strategies and the environment in which we expect to operate in the future. There are many factors, most of them out of our control, which may cause our actual operations and results to substantially differ from those forward-looking statements included in this presentation. The opinions included in this presentation are referred to the situation as of the date of this presentation and may be amended without prior notice. We expressly waive any obligation or undertaking to distribute any updates of the forward-looking statements of this presentation, including events, conditions or circumstances being the base of such forward-looking statements or any other information or figure included in this presentation, unless it may be required by the applicable law.
