Madrid, 11 June, 2015 - LAR ESPAÑA REAL ESTATE SOCIMI S.A. (LRE), a listed real estate investment company, has completed the acquisition of an office building located at Calle de Joan Miró, 21 in Barcelona for €19.7 million.

The property comprises a gross lettable area of 8,610 sqm. The asset also includes a car park with 74 parking spaces. Furthermore, in accordance with accessibility requirements, the building's entrances have also been especially adapted for the needs of disabled users.

At the time of the acquisition, the building is 99% occupied, with the main tenants being Registro de la Propiedad (Property Registry), Mutua Pelayo and BBVA.

The building's excellent location, within the Olympic Village, and just 350 metres from the Ronda del Litoral and landmark buildings such as the Hotel Arts, make the property

extremely appealing. Furthermore, the Ciutadella/Vila Olímpica metro station on line 4 is just 400 metres from the SOCIMI's latest acquisition, which provides access to the whole city.

Miguel Pereda, member of the Board of LAR ESPAÑA REAL ESTATE, said that "thanks to this transaction, the SOCIMI has increased its catchment area, as this building is the first office property in our portfolio outside the region of Madrid, boosting the company's presence in another leading Spanish city. Both the location, close to Barcelona city centre, as well as the flexibility and multipurpose nature of this property make this purchase a great deal". He added that "the high occupancy that the office building already enjoys, at nearly 100%, along with the efforts and investments that we at LAR ESPAÑA REAL ESTATE are planning to make in terms of improving and maintaining this asset, will further increase -where possible- the property's capacity to generate income."

The advisors on this transaction were RE Patrimony Management as broker and BDO as legal advisor.

Thanks to this transaction, the SOCIMI has now invested €570.9 million, thereby far exceeding the €400 million obtained from its IPO. Of its total portfolio, €293.9 million have been allocated to acquiring eight shopping centres located in Galicia, Basque Country, Castilla y León, Castilla-La Mancha, Catalonia and Valencia; €140.5 million for purchasing five office buildings in Madrid and Barcelona; €63.4 million to 11 logistics warehouses located in Guadalajara (Castilla-La Mancha) and the Valencia region; €26.1 million to three retail warehouses in Madrid and Cantabria, and €60 million for a residential asset in Madrid.
