

### Data protection clause – Whistleblower Channel

---

Complaints must be submitted through the channels and to the contact information that can be found in the **Lar España Code of Conduct. Lar España Real Estate SOCIMI, S.A.** (hereinafter **Lar España**) will treat all personal data and any facts reported confidentially, as Responsible for the Processing of its Data and as Processor of the Data from the **Subsidiary of Lar España** to which the interested parties belong, in order to manage the complaint of breach of the **Lar España Code of Conduct** received, and so that it can carry out the necessary actions to investigate the reported facts and, if appropriate, take the corresponding disciplinary measures.

For the investigation of the complaint, **Lar España** may contact witnesses of the reported events for more information about the complaint, and they might notify Law Enforcement Authorities, Judges and Courts or the Government Administration that is responsible for the area in question.

This data can be processed as it is in the public interest, the legitimate interest of the entity and it may protect the interested party. If personal data cannot be processed, the complaint cannot be managed and/or cannot be investigated.

The information on the complaint will be kept for a maximum period of 30 days from when the report is closed, as the events may reoccur or the report may be reopened.

You can exercise your rights of access, rectification, cancellation or opposition, if it is not subject to automated individual decisions, transfer and limitation to the processing of data by writing to **Lar España**, located at c/María de Molina, 39 – Planta 10, 28006 Madrid or sending an email to [dpd@grupolar.com](mailto:dpd@grupolar.com), with a copy of your DNI duly accrediting your identity. You have the right to file a claim with the Spanish Data Protection Agency (AEPD) or with **Lar España's** Data Protection Officer (DPO) ([dpd@grupolar.com](mailto:dpd@grupolar.com)), if you believe your rights have been infringed.

In the event that you use the Whistleblower Channel and enter the personal data of a party that is not the complainant or accused party's data, you must expressly inform that party in writing that their data will be processed for the same aforementioned purposes and transfers.
